The screenshot shows a dialog box with the following sections:

- Appearance:** Includes fields for Name, Color (a blue square), Style (a dropdown menu set to 'Plain'), Role (a dropdown menu set to 'None'), and Parameter Key (a text field).
- Sample Inclusion Criteria:** This section is highlighted with a red box. It contains:
  - Checkboxes for 'Live group' (checked) and 'Synchronized' (unchecked).
  - A button labeled 'Multiple'.
  - A large empty text area for including samples.
  - A search bar with a dropdown menu set to '\*Any Keyword\*', an equals sign dropdown, a text field, and a 'Choose...' button.
  - Buttons for 'More Choices' and 'Fewer Choices'.
  - A checkbox for 'Show all keywords in menus'.
  - A section titled 'With reference to samples in another group:' with two radio buttons: 'Only choose from' (unchecked) and 'Also include' (checked).
  - A dropdown menu for 'samples in Group' set to '(No specified group)'.
- Bottom:** Includes a help icon (?), an 'Apply Changes' button, a 'Close' button, and a 'Create Group' button.
